Adobe Illustrator: Vector & Graphic Design

These selected works were developed from original sketches and visual references. They demonstrate my skills with the Pen Tool, vector shapes, gradients, paths, and layered compositions, etc., applied to portraits, illustrations, typography, and graphic design.

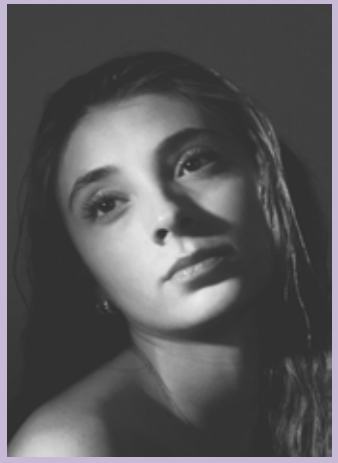

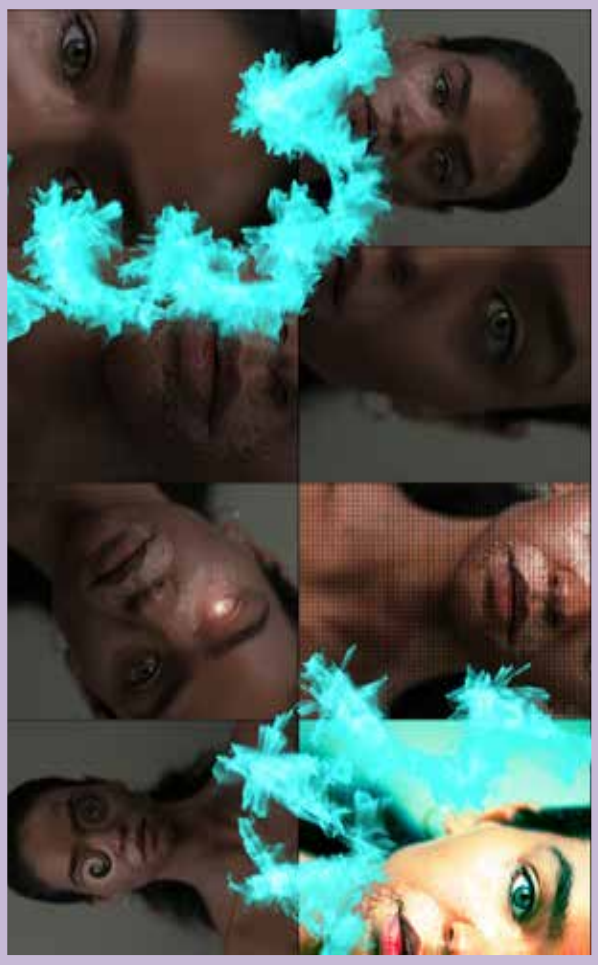

Adobe Photoshop

These selected works demonstrate my skills on transform photographs and combine layered imagery. I used Smart Objects, Smart Filters, layer masks, blending modes, and compositing techniques to create atmospheric scenes, poster designs, and etc.
